Friendship is a Gift

*Friendship is a wondrous gift to value and to treasure,
It has a kind of lasting worth that's far too great to measure.*

*Friendship is a blessing that comes from above,
For friendship is another form of an endless gift of love.*

~~~~~

*Jan was a fighter and was determined to beat her cancer so that she could see her children marry and have their own children.*

*Jan was selfless and always thought of others during her illness. She ran the Biggest Morning Tea in Walgett for 13 years raising over \$30,000.*

*We will always cherish our time with Jan and the friendship and love she gave to us.*

*Never forgotten.*
